Ilori Oluwole

Student at Bells University Of Technology

Ikeja, Lagos State, Nigeria

Summary

Hey There, My love for technology has led me to the world of front-end development.

After my high school, I started my career where i honed my skill in HTML5, CSS, and JAVASCRIPT and over the years I've completed about 6 front-end project, Working in hand with back-end developers.

I'm always exited to get connected to others in the tech community, So if you want to discuss front-end development or any collaborations feel free to email me at [oluwoleilori22@gmail.com].
